[00:00:04.977]

I'm Hope, a military spouse

[00:00:07.292]

and I'm Mari's learning coach.

[00:00:08.626]

I recommend K12 to military families

[00:00:10.487]

because of flexibility

[00:00:12.149]

which is a big one

[00:00:13.290]

for military families when you're

[00:00:15.001]

constantly having to travel from place to place,

[00:00:17.225]

and for stability.

[00:00:18.677]

That also is great for kids

[00:00:20.828]

to be able to know that they're

[00:00:22.300]

gonna be along the same lines

[00:00:24.040]

all throughout their school years.

[00:00:26.378]

So you do have class connects

[00:00:27.896]

some of them are required and some are optional.

[00:00:30.501]

In my opinion

[00:00:31.558]

there is no reason for us not to be

[00:00:34.478]

able to stay on task or with the weekly

[00:00:37.854]

assignments and things of that nature

[00:00:39.694]

because you have all day,

[00:00:41.374]

literally all day.

[00:00:42.664]

That's the freedom and the flexibility

[00:00:44.343]

that you have with the program.

[00:00:45.740]

It requires a little bit more of me

[00:00:47.671]

as opposed to sending her off to a school.

[00:00:50.949]

And on the other hand,

[00:00:52.444]

it gives me the opportunity

[00:00:53.856]

to see her growing and developing

[00:00:56.502]

and learning the things that she should

[00:00:58.592]

where in the areas that she struggled

[00:01:01.360]

with majorly before being able to give her

[00:01:04.513]

that extra support because

[00:01:05.688]

I know exactly where she is

[00:01:07.076]

and exactly what she's learning,

[00:01:08.926]

and exactly how to help her through.

[00:01:10.849]

She loves all the visuals.

[00:01:12.235]

She loves the hands on,

[00:01:13.942]

she loves the opportunity to explore

[00:01:16.825]

while you're learning

[00:01:17.927]

and so that's what K12

[00:01:19.492]

has provided for her knowing

[00:01:21.165]

there may be a challenge

[00:01:22.412]

but they have all the tools in place

[00:01:24.280]

to help me through it.

[00:01:25.824]

It allows for independence.

[00:01:28.031]

It teaches them how to be on schedule.

[00:01:31.088]

How to look at their schedule,

[00:01:32.099]

see what needs to be done

[00:01:33.443]

and to get the assignments

[00:01:34.847]

done to stay on task.

[00:01:36.350]

And later on of course,

[00:01:37.762]

I'll go back as the learning coach,

[00:01:39.356]

and check through and make sure

[00:01:41.150]

everything's done

[00:01:42.107]

but she's very good at that and I think

[00:01:44.250]

it's really matured her.

[00:01:45.761]

I was so excited when I found out

[00:01:48.405]

about the co-op program

[00:01:50.045]

that they have on base.

[00:01:51.432]

Mari's a very social person

[00:01:52.838]

and they get,

[00:01:53.862]

she gets to socialize with children there.

[00:01:56.269]

They have activities.

[00:01:57.484]

They do a little bit of study time

[00:01:59.932]

and then after the study time

[00:02:01.772]

they'll do art projects,

[00:02:03.784]

they'll play games.

[00:02:05.275]

And she loves it.

[00:02:06.527]

It's been a blessing

[00:02:08.041]

just to see her happy

[00:02:09.746]

and still learning

[00:02:11.197]

and confident and knowing she's

[00:02:13.607]

doing better than she had done

[00:02:15.919]

in the previous years in school.

00:00:00--> 00:00:02,272

Narrator: A day in the life

00:00:02,272 --> 00:00:05,066

Meet Hope, Mari's mom and learning coach.

00:00:05,066 --> 00:00:07,234

Mari, Hope, and a man in uniform stand on a

00:00:07,234 --> 00:00:10,252

front porch and smile at the camera for a portrait.

00:00:10,252 --> 00:00:12,866

Hope provides narration to the camera as scenes

00:00:12,866 --> 00:00:16,014

from Mari's day to day activities are shown.

00:00:16,014 --> 00:00:17,781

Hope: I'm Hope, I'm a military spouse,

00:00:17,781 --> 00:00:19,487

and I'm Mari's learning coach.

00:00:19,487 --> 00:00:21,236

I recommend K12 to military families

00:00:21,236 --> 00:00:22,823

because of flexibility, which is

00:00:22,823 --> 00:00:25,215

a big one for military families,

00:00:25,215 --> 00:00:26,709

when you're constantly having to

00:00:26,709 --> 00:00:29,648

travel from place to place and for stability.

00:00:29,648 --> 00:00:31,805

That also is great for kids, to be able

the same lines all throughout their school years.

00:00:37,071 --> 00:00:38,708

Narrator: Mari is shown enjoying a book

00:00:38,708 --> 00:00:40,853

with her mom, sitting on a bench hugging

00:00:40,853 --> 00:00:42,802

and laughing with the man in uniform,

00:00:42,802 --> 00:00:44,688

and studying at her laptop computer

00:00:44,688 --> 00:00:46,716

with a teacher speaking through the monitor.

00:00:46,716 --> 00:00:48,435

Hope: You do have class connects, some of

00:00:48,435 --> 00:00:50,700

them are required and some are optional.

00:00:50,700 --> 00:00:53,798

In my opinion, there's no reason for

00:00:53,798 --> 00:00:56,128

us not to be able to stay on task

00:00:56,128 --> 00:00:59,078

with the weekly assignments and things

00:00:59,078 --> 00:01:01,552

of that nature because you have all day.

00:01:01,552 --> 00:01:03,411

Literally, all day, that's the freedom

00:01:03,411 --> 00:01:05,882

and flexibility that you have with the program.

00:01:05,882 --> 00:01:07,996

It requires a little bit more of me

00:01:07,996 --> 00:01:11,152

as opposed to sending her off to a school.

00:01:11,152 --> 00:01:13,058

On the other hand, it gives me the

00:01:13,058 --> 00:01:15,904

opportunity to see her growing and

00:01:15,904 --> 00:01:17,836

developing and learning the things

00:01:17,836 --> 00:01:19,900

that she should, where in the areas

00:01:19,900 --> 00:01:23,331

that she struggled with majorly before,

00:01:23,331 --> 00:01:25,393

being able to give her that extra support

00:01:25,393 --> 00:01:27,244

because I know exactly where she is

00:01:27,244 --> 00:01:28,790

and exactly what she's learning

00:01:28,790 --> 00:01:30,806

and exactly how to help her through.

00:01:30,806 --> 00:01:33,302

She loves all the visuals, she loves

00:01:33,302 --> 00:01:35,472

the hands-on, she loves the opportunity

00:01:35,472 --> 00:01:38,246

to explore while you're learning.

00:01:38,246 --> 00:01:40,896

That's what K12 has provided for her,

00:01:40,896 --> 00:01:42,902

knowing that there may be a challenge,

00:01:42,902 --> 00:01:44,316

but they have all the tools in

00:01:44,316 --> 00:01:45,897

place to help me through it.

00:01:45,897 --> 00:01:47,615

Narrator: Mari is shown studying online

00:01:47,615 --> 00:01:49,404

lessons with her mom and organizing

00:01:49,404 --> 00:01:52,439

her whiteboard calendar with sticky notes.

00:01:52,439 --> 00:01:54,732

Hope: It allows for independence, it teaches

00:01:54,732 --> 00:01:57,561

them how to be on schedule, how to look

00:01:57,561 --> 00:01:59,280

at their schedule, see what needs to be

00:01:59,280 --> 00:02:01,548

done, and to get the assignment done,

00:02:01,548 --> 00:02:04,377

to stay on task, and later on of course

00:02:04,377 --> 00:02:06,108

I'll go back and, you know, as a

00:02:06,108 --> 00:02:08,089

learning coach, check through and make sure

00:02:08,089 --> 00:02:10,022

everything is done, but she's very good

00:02:10,022 --> 00:02:12,341

at that and I think has really matured.

00:02:12,341 --> 00:02:13,602

Narrator: Students shown

00:02:13,602 --> 00:02:15,316

interacting in a classroom setting.

00:02:15,316 --> 00:02:18,750

Together, they study, paint, and build paper airplanes.

00:02:18,750 --> 00:02:21,115

Mari smiles and waves for the camera.

00:02:21,115 --> 00:02:23,118

Words on screen read "Co-op program

00:02:23,118 --> 00:02:25,970

is not available in all schools."

00:02:25,970 --> 00:02:28,611

Hope: I was so excited when I found out

00:02:28,611 --> 00:02:31,493

about the co-op program that they have on base.

00:02:31,493 --> 00:02:33,774

00:02:33,774 --> 00:02:36,270

she gets to socialize with children there.

00:02:36,270 --> 00:02:39,186

They have activities, they do a little

00:02:39,186 --> 00:02:40,818
